

TOWN OF MINA  
Southern Tier Gateway to New York

# PLAYGROUND SPONSORSHIP

## Phase III

### BigToys "Escapade"

A three-phase program began in 2007 to create a top-notch playground area at the Community Center in downtown Findley Lake, NY.

**Phase I** updated the swing set area by enhancing the look and provided a surface which brought it up to date with safety regulations.

**Phase II** installed a "Rock 'n Cross" Structure

The final **Phase III** has a total cost of \$18,550.00, with \$15,300.00 already secured from the Town of Mina, the Findley Lake Community Foundation, private donations, and from the proceeds of a golf tournament organized by members of the Olive Lodge F&AM in Sherman.

The remainder of **\$3,250.00** still needs to be raised. Please consider making a donation to meet a **May 2011 Completion Date Goal** with a *Grand Opening Celebration planned for Memorial Day.*

A charitable contribution may be personal, anonymous or in honor or memory of a loved one. Donations of \$50.00 or more will be recognized on a plaque in the playground area.

Your donation is greatly appreciated and will make a lasting impression on the Findley Lake Community and our youth for years to come.

Thank you for your support!

Please return this portion with your sponsorship to:
